## Pre-Twinkle Tots Suzuki ECE Music Enrolment Information 2022

**The goal – to create an environment for children, free from pressure in which they can gain skills, a sense of purpose in life, an understanding of discipline and an appreciation of beauty.**

Pre-Twinkle Tots Suzuki ECE Music, is a music and movement class for children aged 3–5 years, that continues to take children through the seven concepts of early child development, based on the pedagogy of Dr. Shinichi Suzuki. Pre-Twinkle Tots builds on the skills learned in Musical Tots and teaches new skills to further prepare them for instrument learning.

Children and adults will participate using songs, rhymes, actions, movements and quality music instruments, preparing them for future instrument learning via the Suzuki Method.
